

**The New South Wales Rabbit Association Inc.**  
**Registration of Stud Prefix**

A Stud Prefix (not being a properly registered trademark) shall not be recognised unless duly registered with The NSW Rabbit Association Inc.

Individual members shall have the privilege of registering a prefix subject to the Committee of Management, and no member except the person in whose name a prefix is registered shall be allowed to use it. A Stud Prefix shall not be the name of a town or place or person. A fee for registering a Stud Prefix shall not be subject to renewal and must accompany the application for registration. The registration of a Stud Prefix will lapse upon the individual member ceasing to be a member of The NSW Rabbit Association Inc. The once only fee for a Stud Prefix registration shall be \$5.00

The Committee of Management reserves the right to cancel the use of a Stud Prefix at any time and should such action be taken, the individual member shall not be entitled to the repayment of any registration paid thereof.

The right to hold and use a registered Stud Prefix shall terminate immediately upon the Committee of Management being satisfied that there is in existence a properly registered trademark of the same name likely to cause confusion with the one registered with The NSW Rabbit Association Inc., and in such an event, the individual member whose registered Stud Prefix ceases, shall not be entitled to the repayment of any registration paid in respect thereof.
